

CALL FOR PAPERS

Shaping the future landscape of WIL

The international conference on *Work-Integrated Learning* WIL25 will take place in Oslo, Norway September 22 – September 24, 2025 in Oslo, Norway. The conference will bring together researchers, academics, practitioners and industry partners from all parts of the globe, and function as a meeting place for presenting research and case studies, attending workshops, exchanging know-how, as well as building new relationships and strengthening existing networks. The conference is hosted by Kristiania University College (Norway) and University West (Sweden).

The overall conference theme is: Shaping the Future Landscape of WIL. Relevant themes include, but are not limited to:

- Various dimensions of WIL - learning integrated into work
- WIL pedagogy - integrating experiences from education and work life
- Different WIL pedagogies - WIL models beyond traditional placements
- Quality WIL experiences in programs with high number of students
- Development of WIL theoretical terminology and frameworks
- Work-Integrated Education (WIE) as educational approach
- Integrating WIL principles across entire degree programs
- Institutional structures and policies in implementation of WIL
- Multiple stakeholders in WIL
- Students' perspectives on experiences with WIL
- Student wellbeing
- Professionals and industry engagement in WIL
- WIL in the context of future of work trends
- Developing "soft skills" and employability attributes
- Work life and "job readiness"
- WIL in life-long learning
- The learning professionals and organizations
- Transforming work through WIL
- WIL in learning organization
- WIL models for sustainable development
- Co-creating WIL approaches
- How emerging technologies can enhance WIL experiences
- Assessing and measuring the integration of learning
- Ethical issues and academic independence in WIL research

SUBMISSION

The WIL25 Conference Committee is inviting the submission of papers. Deadline: 14 March 2025.

Paper formats

- Conference paper, 2000 words, with oral presentations (15 minutes, plus 5 minutes questions). Submitted papers will be peer reviewed by the Conference Scientific Committee. All accepted papers will be published in conference proceeding.
- Special Issue full article, 6000-8000 words. Authors of selected papers will be invited to submit an extended and revised version of their paper publication in a special issue of the peer-reviewed scientific journal - Current Issues in Work-Integrated Learning (CIWIL)
